Dear Ayoub,

I would just like to thank you for all your work in completing my claim in such a fantastic time and with such a great result! I was amazed by the amount you managed to total for me and I am over the moon at how soon I have received the cheques and got them in my bank! My accident was on 20th December 2012 and by 24th March 2013, I have the cheques and I cannot express how incredible the communication has been, being kept up to date with all the information, answering any simple questions that I had throughout the process, and overall feeling like they valued me as a customer.

I highly recommend this company to anyone else looking to claim for an accident and you will get more for your time! ( I would say money, but I haven't spent a penny! ) As unfortunate it is to fall into the need to claim for my injury, and suffering still, I feel it was worth the time spent.

Ayoub Khan felt more like a friend than Solicitor & I felt appreciated! Use this company if your unsure who to go for !

been fantastic!

Kind regards  
Beth

I really do thank you for all your help & support. You've

Hi Ayoub,

After the fantastic service I had last time, I wouldn't think of using a different solicitor. However all seems to be okay now.. I thought I had done some serious damage for the pain, but maybe just write to the company that I bought it from, still have the remainder of the item so will photograph and send on.

Thank you for your advice :)

Regards  
Beth
